EXERPTS FROM FLORIDA STATUTE CHAPTER 83

83.51 Landlord's obligation to maintain premises.—

(1) The landlord at all times during the tenancy shall:

(a) Comply with the requirements of applicable building, housing, and health codes; or

(b) Where there are no applicable building, housing, or health codes, maintain the roofs, windows, doors, floors, steps, porches, exterior walls, foundations, and all other structural components in good repair and capable of resisting normal forces and loads and the plumbing in reasonable working condition. The landlord, at commencement of the tenancy, must ensure that screens are installed in a reasonable condition. Thereafter, the landlord must repair damage to screens once annually, when necessary, until termination of the rental agreement.

The landlord is not required to maintain a mobile home or other structure owned by the tenant. The landlord's obligations under this subsection may be altered or modified in writing with respect to a single-family home or duplex.

(2)(a) Unless otherwise agreed in writing, in addition to the requirements of subsection (1), the landlord of a dwelling unit other than a single-family home or duplex shall, at all times during the tenancy, make reasonable provisions for:

1. The extermination of rats, mice, roaches, ants, wood-destroying organisms, and bedbugs.

When vacation of the premises is required for such extermination, the landlord is not liable for damages but shall abate the rent. The tenant must temporarily vacate the premises for a period of time not to exceed 4 days, on 7 days' written notice, if necessary, for extermination pursuant to this subparagraph.

2. Locks and keys.

3. The clean and safe condition of common areas.

4. Garbage removal and outside receptacles therefor.

5. Functioning facilities for heat during winter, running water, and hot water.

(b) Unless otherwise agreed in writing, at the commencement of the tenancy of a single-family home or duplex, the landlord shall install working smoke detection devices. As used in this paragraph, the term "smoke detection device" means an electrical or battery-operated device

which detects visible or invisible particles of combustion and which is listed by Underwriters Laboratories, Inc., Factory Mutual Laboratories, Inc., or any other nationally recognized testing laboratory using nationally accepted testing standards.

(c) Nothing in this part authorizes the tenant to raise a noncompliance by the landlord with this subsection as a defense to an action for possession under s. 83.59.

(d) This subsection shall not apply to a mobile home owned by a tenant.

(e) Nothing contained in this subsection prohibits the landlord from providing in the rental agreement that the tenant is obligated to pay costs or charges for garbage removal, water, fuel, or utilities.

(3) If the duty imposed by subsection (1) is the same or greater than any duty imposed by subsection (2), the landlord's duty is determined by subsection (1).

(4) The landlord is not responsible to the tenant under this section for conditions created or caused by the negligent or wrongful act or omission of the tenant, a member of the tenant's family, or other person on the premises with the tenant's consent.

83.56 Termination of rental agreement.—

(1) If the landlord materially fails to comply with s. 83.51(1) or material provisions of the rental agreement within 7 days after delivery of written notice by the tenant specifying the noncompliance and indicating the intention of the tenant to terminate the rental agreement by reason thereof, the tenant may terminate the rental agreement. If the failure to comply with s. 83.51(1) or material provisions of the rental agreement is due to causes beyond the control of the landlord and the landlord has made and continues to make every reasonable effort to correct the failure to comply, the rental agreement may be terminated or altered by the parties, as follows:

(a) If the landlord's failure to comply renders the dwelling unit untenable and the tenant vacates, the tenant shall not be liable for rent during the period the dwelling unit remains uninhabitable.

(b) If the landlord's failure to comply does not render the dwelling unit untenable and the tenant remains in occupancy, the rent for the period of noncompliance shall be reduced by an

amount in proportion to the loss of rental value caused by the noncompliance.

(2) If the tenant materially fails to comply with s. 83.52 or material provisions of the rental agreement, other than a failure to pay rent, or reasonable rules or regulations, the landlord may:

(a) If such noncompliance is of a nature that the tenant should not be given an opportunity to cure it or if the noncompliance constitutes a subsequent or continuing noncompliance within 12 months of a written warning by the landlord of a similar violation, deliver a written notice to the tenant specifying the noncompliance and the landlord's intent to terminate the rental agreement by reason thereof. Examples of noncompliance which are of a nature that the tenant should not be given an opportunity to cure include, but are not limited to, destruction, damage, or misuse of the landlord's or other tenants' property by intentional act or a subsequent or continued unreasonable disturbance. In such event, the landlord may terminate the rental agreement, and the tenant shall have 7 days from the date that the notice is delivered to vacate the premises. The notice shall be in substantially the following form:

You are advised that your lease is terminated effective immediately. You shall have 7 days from the delivery of this letter to vacate the premises. This action is taken because (cite the noncompliance) .

(b) If such noncompliance is of a nature that the tenant should be given an opportunity to cure it, deliver a written notice to the tenant specifying the noncompliance, including a notice that, if the noncompliance is not corrected within 7 days from the date that the written notice is delivered, the landlord shall terminate the rental agreement by reason thereof. Examples of such noncompliance include, but are not limited to, activities in contravention of the lease or this part such as having or permitting unauthorized pets, guests, or vehicles; parking in an unauthorized manner or permitting such parking; or failing to keep the premises clean and sanitary. If such noncompliance recurs within 12 months after notice, an eviction action may commence without delivering a subsequent notice pursuant to paragraph (a) or this paragraph. The notice shall be in substantially the following form:

You are hereby notified that (cite the noncompliance) . Demand is hereby made that you remedy the noncompliance within 7 days of receipt of this notice or your lease shall be deemed terminated and you shall vacate the premises upon such termination. If this same conduct or conduct of a similar nature is repeated within 12 months, your tenancy is subject to termination without further

warning and without your being given an opportunity to cure the noncompliance.

(3) If the tenant fails to pay rent when due and the default continues for 3 days, excluding Saturday, Sunday, and legal holidays, after delivery of written demand by the landlord for payment of the rent or possession of the premises, the landlord may terminate the rental agreement. Legal holidays for the purpose of this section shall be court-observed holidays only. The 3-day notice shall contain a statement in substantially the following form:

You are hereby notified that you are indebted to me in the sum of dollars for the rent and use of the premises (address of leased premises, including county) , Florida, now occupied by you and that I demand payment of the rent or possession of the premises within 3 days (excluding Saturday, Sunday, and legal holidays) from the date of delivery of this notice, to wit: on or before the day of , (year) .

(landlord's name, address and phone number)

(4) The delivery of the written notices required by subsections (1), (2), and (3) shall be by mailing or delivery of a true copy thereof or, if the tenant is absent from the premises, by leaving a copy thereof at the residence. The notice requirements of subsections (1), (2), and (3) may not be waived in the lease.

(5)(a) If the landlord accepts rent with actual knowledge of a noncompliance by the tenant or accepts performance by the tenant of any other provision of the rental agreement that is at variance with its provisions, or if the tenant pays rent with actual knowledge of a noncompliance by the landlord or accepts performance by the landlord of any other provision of the rental agreement that is at variance with its provisions, the landlord or tenant waives his or her right to terminate the rental agreement or to bring a civil action for that noncompliance, but not for any subsequent or continuing noncompliance. However, a landlord does not waive the right to terminate the rental agreement or to bring a civil action for that noncompliance by accepting partial rent for the period. If partial rent is accepted after posting the notice for nonpayment, the landlord must:

1. Provide the tenant with a receipt stating the date and amount received and the agreed upon date and balance of rent due before filing an action for possession;
2. Place the amount of partial rent accepted from the tenant in the registry of the court upon filing the action for possession; or
3. Post a new 3-day notice reflecting the new amount due.

(b) Any tenant who wishes to defend against an action by the landlord for possession of the unit for noncompliance of the rental agreement or of relevant statutes must comply with s. 83.60(2).

The court may not set a date for mediation or trial unless the provisions of s. 83.60(2) have been met, but must enter a default judgment for removal of the tenant with a writ of possession to issue immediately if the tenant fails to comply with s. 83.60(2).

(c) This subsection does not apply to that portion of rent subsidies received from a local, state, or national government or an agency of local, state, or national government; however, waiver will occur if an action has not been instituted within 45 days after the landlord obtains actual knowledge of the noncompliance.

(6) If the rental agreement is terminated, the landlord shall comply with s. 83.49(3).

History.—s. 2, ch. 73-330; s. 23, ch. 82-66; s. 6, ch. 83-151; s. 14, ch. 83-217; s. 6, ch. 87-195; s. 6, ch. 93-255; s. 6, ch. 94-170; s. 1373, ch. 95-147; s. 5, ch. 99-6; s. 8, ch. 2013-136.

83.60 Defenses to action for rent or possession; procedure.—

(1)(a) In an action by the landlord for possession of a dwelling unit based upon nonpayment of rent or in an action by the landlord under s. 83.55 seeking to recover unpaid rent, the tenant may defend upon the ground of a material noncompliance with s. 83.51(1), or may raise any other defense, whether legal or equitable, that he or she may have, including the defense of retaliatory conduct in accordance with s. 83.64. The landlord must be given an opportunity to cure a deficiency in a notice or in the pleadings before dismissal of the action.

(b) The defense of a material noncompliance with s. 83.51(1) may be raised by the tenant if 7 days have elapsed after the delivery of written notice by the tenant to the landlord, specifying the noncompliance and indicating the intention of the tenant not to pay rent by reason thereof. Such notice by the tenant may be given to the landlord, the landlord's representative as designated pursuant to s. 83.50, a resident manager, or the person or entity who collects the rent on behalf of the landlord. A material noncompliance with s. 83.51(1) by the landlord is a complete defense to an action for possession based upon nonpayment of rent, and, upon hearing, the court or the jury, as the case may be, shall determine the amount, if any, by which the rent is to be reduced to reflect the diminution in value of the dwelling unit during the period of noncompliance with s. 83.51(1).

After consideration of all other relevant issues, the court shall enter appropriate judgment.

(2) In an action by the landlord for possession of a dwelling unit, if the tenant interposes any defense other than payment, including, but not limited to, the defense of a defective 3-day notice, the tenant shall pay into the registry of the court the accrued rent as alleged in the complaint or as determined by the court and the rent that accrues during the pendency of the proceeding, when due. The clerk shall notify the tenant of such requirement in the summons. Failure of the tenant to pay the rent into the registry of the court or to file a motion to determine the amount of rent to be paid into the registry within 5 days, excluding Saturdays, Sundays, and legal holidays, after the date of service of process constitutes an absolute waiver of the tenant's defenses other than payment, and the landlord is entitled to an immediate default judgment for removal of the tenant with a writ of possession to issue without further notice or hearing thereon. If a motion to determine rent is filed, documentation in support of the allegation that the rent as alleged in the complaint is in error is required. Public housing tenants or tenants receiving rent subsidies are required to deposit only that portion of the full rent for which they are responsible pursuant to the federal, state, or local program in which they are participating.
